# STUDENT'S RIGHT TO CANCEL

## Cancellation of Agreement and Withdrawal from School

You have the right to cancel agreement for a program of instruction, without any penalty or obligations, through attendance at the first class session or the seventh calendar day after enrollment, whichever is later. After the end of the cancellation period, you also have the right to stop school at any time and you have the right to receive a pro rata refund if you have completed 60% or less of the scheduled hours in the current payment period in your program through the last day of attendance.

Cancellation may occur when the student provides a written notice of cancellation at the following address: **Palladium Technical Academy, 10229 Lower Azusa Rd., Temple City, CA 91780**

The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.

The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

If the Enrollment Agreement is cancelled the school will refund the student any money he/she paid, less a registration or administration fee not to exceed $100.00 and less any deduction for equipment not returned in good condition.

## Withdrawal from the Program and Refund Policy

You may withdraw from the school at any time after the cancellation period (described above) and receive a pro rata refund if you have completed 60% or less of the scheduled hours in the current payment period in your program through the last day of attendance. The refund will be less a registration, STRF, and less any deduction for equipment not returned in good condition. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

The student notifies the institution of the student's withdrawal or as of the date of the student's withdrawal, whichever is later.

The institution terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; absences in excess of maximum set forth by the institution; and/or failure to meet financial obligations to the school.

The student has failed to attend class for 21 days.

The student fails to return from a leave of absence.

For the purpose of determining the amount of the refund, the date of the student's withdrawal shall be deemed the last date of recorded attendance. The amount owed equals the daily charge for the program (total institutional charge, minus non-refundable fees, divided by the number of days in the program), multiplied by the number of days scheduled to attend, prior to withdrawal.

For the purpose of determining when the refund must be paid, the student shall be deemed to have withdrawn at the end of 21 days.

For programs beyond the current payment period, if you withdraw prior to the next payment period, all charges collected for the next period will be refunded. If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, state or federal agency that guaranteed or reinsured the loan. If any balance remains on the loan, the student is responsible to repay the full amount of the loan plus interest. If any amount of the refund is in excess of the unpaid balance of the loan, it shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received, and any remaining amount shall be paid to the student.
